

MINUTES AND PROCEEDINGS OF A REGULAR MEETING OF THE BUTLER COUNTY BOARD OF SUPERVISORS HELD ON APRIL 15, 2008.

Meeting called to order at 9:00 a.m. by Chairman Larry Backer with members Ken Oldenburger and John Zimmerman present.

Minutes of the previous meeting were read and approved as read.

Board met with Kevin Truax, Truax Insurance, to review property and casualty insurance coverage for the County.

Board met with Monica Fecht to hear concerns about blasting at Niemann Quarry, Jefferson Township. Also present was Ronnie Allan and Zoning Administrator Steve Busse. Ms. Fecht indicated that since the expansion of the quarry, she has noticed a number of large cracks in the sheet rock inside her house and the three to four foot wide sink hole developing in her yard near the house. She is concerned about the structural stability of her home. Busse indicated that the matter should be addressed with the Niemann Quarry Management. The Board asked to be kept informed by Ms. Fecht and Mr. Busse on any developments.

Board met with Safety Director Steve Ulrichs to consider Injury Investigation and Reporting Policy. It was moved by Oldenburger, second by Zimmerman to adopt same. Motion carried.

Board met with County Engineer John Riherd to review final Driveway Policy. Riherd recommended the change to update current policies into one comprehensive policy. He indicated that all driveway construction and widening shall be permitted and constructed according to specifications set forth in the new policy and that Butler County will assist applicants with construction as time allows, but will charge a fee for materials and labor. A current fee list will be on file at the Engineer's Office and will be available as part of the application process. It was moved by Oldenburger, second by Zimmerman to adopt same. Motion carried.

Board met with Duane Cordes to hear his concerns regarding recent correspondence from Zoning Administrator Steve Busse indicating the Butler County Board of Health's proposed intent to adopt rules and regulations for onsite wastewater system contractors working in Butler County requiring certification as a Certified Installer of Onsite Wastewater Treatment Systems.

Board considered Application for a Class A Liquor License from American Legion Tack-Barnett Post 268, Greene, Iowa. It was moved by Zimmerman, second by Oldenburger to approve same. Motion carried.

Board canvassed the results of the Aplington-Parkersburg School Special Election held April 8, 2008.

Moved by Oldenburger, second by Zimmerman to authorize the County Auditor to issue checks for the claims on file as follows:
