

MINUTES AND PROCEEDINGS OF A REGULAR MEETING OF THE BUTLER COUNTY BOARD OF SUPERVISORS HELD ON JUNE 17, 2008.

Meeting called to order at 9:00 a.m. by Chairman Larry Backer with members Ken Oldenburger and John Zimmerman present.

Minutes of the previous meeting were read and approved as read.

Staff Meeting.

Time set for a Public Hearing on the Proposed Vacation of a portion of Martin Avenue, located in Section 30-91-16, Jefferson Township. Present was County Engineer John Riherd. Also present was Ron Brocka. No written comments were received. Riherd indicated that the road is adjacent to the Big Marsh and it presently gated. Brocka voiced his concern about access to his property in the area, which would become landlocked if the road is vacated. He requested the road not be vacated. The Board determined that the road should not be vacated at this time.

Moved by Oldenburger, second by Zimmerman to affirm the appointment of David Kuehner as Assistant County Attorney, effective June 12, 2008 and expiring August 31, 2008. Motion carried.

Board considered a Special Quotation from Denco Corp, Mingo, Iowa for crack repair for the courthouse parking lot in conjunction with crack repair project on 27.6 miles of county pavement, at a cost of \$8,500.00. Moved by Zimmerman, second by Oldenburger to approve same. Motion carried.

Board met with Wayne Wiese, Kenneth Ackerman and Todd Nolte regarding water over the road – 300th Avenue in the S¹/₂ SW¹/₄ of Section 7-90-18, Washington Township. County Engineer John Riherd was also present. Wiese indicated that he feels the existing bridge on 300th Avenue isn't adequate to handle the volume of water. He reported that the Army Corp of Engineers suggested the installation of an overflow channel. Wiese also stated that the road should maybe just be removed. Nolte indicated that the force of the water is the problem now and it is destroying not only the road itself, but the surrounding farmland. After much discussion, it was agreed that Engineer Riherd would investigate the situation and report back to the Board.

Moved by Zimmerman, second by Oldenburger to authorize the County Auditor to issue checks for the claims on file as follows:
