MINUTES AND PROCEEDINGS OF A REGULAR MEETING OF THE BUTLER COUNTY BOARD OF SUPERVISORS HELD ON FEBRUARY 07, 2023.

Meeting called to order at 9:00 A.M. by Chairman Greg Barnett with members Rusty Eddy and Wayne Dralle present. Moved by Dralle second by Eddy to approve the agenda. All ayes. Motion carried.

Minutes of the previous meeting were read. Motioned by Dralle, second by Eddy to approve the minutes as read. All ayes. Motion carried.

No public comment was received.

Board held Compensation Board discussion. Members of the Butler County Compensation Board, Kyle Rice and Dale Hansmann, were present to explain their recommendation of 10%. Jason Johnson, Sheriff, commented on the two Compensation Board members present and their expertise on finances as it pertains to elected officials and deputies. Kyle discussed inflation, cost of living, and where Butler County is compared to surrounding counties. He indicated that Butler County has been below comparable levels for some time, and inflation has compounded that. He further outlined how our labor shortage/difficulties in hiring qualified professionals makes an increase important if we want to compete. Retaining employees is a key focus and it is getting more difficult to do in the current climate. They made a point to explain that they understand making the budget work, but also brought forth the cost of hiring new employees and the potential of losing employees to nearby counties where they can make more. They felt to keep the good employees, we need to be comparable to the surrounding counties. Sheriff Johnson mentioned that comparable salaries can be found on ISAC. Auditor Groen commented that we look at surrounding counties and counties with comparable population.

An update was given on residential assessment limitation legislation to consider setting date/time for Max Levy Public Hearing. Auditor Groen stated that the bill is moving forward. March 31st is the current deadline although if the bill goes through, the deadline will move to the end of April. If the changes are made, valuations would change, which would affect the levies in all budgets. Assessor, Michelle Shultz, discussed the valuation changes between residential and multi-residential.

Groen discussed the FY24 Budget Workshop and outlined the effects of possible scenarios. She commented that a move from a 10% increase (per the compensation board) to a 6% increase would reduce the budget roughly \$125,000.

Motioned by Eddy, second by Dralle to approve claims. All ayes. Motion carried.
